RODRIGO FREITAS BRAZILIAN JIU-JITSU

Are you at risk?

COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. It is also believed that persons may have COVID-19 and may be capable of spreading it to others even if they do not have any outward symptoms. Some people with COVID-19 may never manifest symptoms. At-risk students (students who have been in contact with someone who is infected or suspected to be infected, or students who live with persons that are uniquely vulnerable such as elderly) should be limited to virtual training only.

1. Have you (or your child) come into close contact (within six feet) with someone who has a laboratory confirmed COVID-19 diagnosis in the past 14 days?

_____ Yes _____ No

2. Do you (or your child) have a fever (greater than 100.4 F or 38.0 C) OR symptoms of acute respiratory illness such as a cough, shortness of breath, sore throat, or difficulty breathing?

_____ Yes _____ No

3. Have you (or your child) traveled anywhere outside of the U.S. in the past 14 days?

_____ Yes _____ No

Student Name: _____ Date: _____

Student Signature (Parent signature if applicable): _____
